DISCLOSURE OF FINANCIAL RELATIONSHIP AND RESOLUTION OF CONFLICT OF INTEREST

The Kansas Chapter, American Academy of Pediatrics Policy on Disclosure of Financial Relationships and Resolutions of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous CME activities. All individuals in a position to influence and/or control the content of KAAP CME activities have disclosed that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider of commercial services discussed in this CME activity

LEARNING OBJECTIVES

- **SEXUAL EXPLOITATIONS OF CHILDREN**
Understanding and utilizing screening tools for identification of sexual exploitation of children. Understand risk factors and needed response for victims of sexual exploitation.
- **ANAPHYLAXIS**
Recognize clinical signs and symptoms of anaphylaxis. Administer epinephrine intramuscularly in a timely manner. Stratify patients at risk of anaphylaxis related death.
- **CONCUSSION UPDATE**
Evaluate and treat concussion symptoms early in the course of injury, including early referral to concussion specialists in sports medicine, physical therapy, optometry, and neuropsychology. Partner with school staff, including counselors, teachers, and athletic trainers, to improve concussed patients; academic experience and recovery.
- **PEDIATRIC NON-EPILEPTIC "SPELLS"**
Identify features suggestive of non-epileptic events. Utilize home video as a helpful evaluation tool of non-epileptic events. Identify those patients requiring further evaluation and neurologic consultation.
