

Hazel Health is here to support your family through the Maui wildfires

During this concerning and uncertain time, your child might experience heightened feelings of anxiety, worry, or other symptoms of mental distress.

With Hazel, your child can get the mental health support they need, when they need it—at home or at school, at no cost to you.

Hazel Health licensed therapists are here to help your child or teen cope

- Anxiety
- Sleep problems
- Grief/loss
- Loneliness
- Change
- Depression
- Eating changes
- Self-harm
- And more

Services are available
at school during school hours,
and at home **Monday to Friday**
between **7am-7pm local time**
