

## **Hawai'i Synagis Updates:**

### **Kapi'olani Medical Center for Women & Children Synagis Clinic**

For infants eligible for Synagis, prophylaxis should begin September 1, 2018 through end of March 2019. **\*See attached RSV Consensus Committee Guidelines\***  
This season, Kapi'olani Medical Center for Women and Children will be administering Synagis at the Multidisciplinary Outpatient Clinic. We will be assisting with obtaining authorization, scheduling, and administering the injection. Please call 983-8500 option 3 or fax a referral to 983-6056.
